Money Market Accounts "For More Than Banking"

Designed to offer you the simplicity and convenience of a regular bank account, but with much higher returns, our pre-designed alternatives to your regular bank accounts are an excellent starting point to your introduction to wealth planning.

All you'll need is an initial deposit of Rs. 5,000 to start saving.

More Than Savings

NDB Wealth Money Fund

The “NDB WEALTH MONEY FUND” from NDB Wealth is a simple product that looks and works exactly like the savings account you are used to except that you are offered tax-free returns and comparatively higher returns. The NDB WEALTH MONEY FUND offers a high level of capital safety and allows you to withdraw funds anytime without penalties.

The funds invest exclusively in short tenure Government of Sri Lanka Treasury Bills, Treasury Bonds, Treasury Repos and Bank Deposits.

“It’s time to get your savings to work harder for you.”

More Than Bank Deposits

NDB Wealth Money Plus Fund

Enjoy higher rates than a bank deposit but withdraw your money anytime with no penalties. It doesn't get any better. The NDB WEALTH MONEY PLUS FUND is an excellent alternative to bank deposits with much higher returns and the flexibility of withdrawing your money whenever you may need it. As with all of our products, income generated is completely tax-free. Talk to us for more details.

“It's time to achieve big dreams with small beginnings.”

Regular Savings and Income

So you've chosen an NDB Wealth product that fits in perfectly with your savings requirements, and you're all set to do whatever it takes to achieve your savings goal, a down payment on a new home or a car, an overseas vacation, an education plan for your child or a retirement plan for yourself.

What is a Regular Savings Plan?

This means that you could opt for an automatic Savings Plan where your bank could sweep or transfer a predetermined amount of money to your selected NDB Wealth product each month.

What is a Regular Income Plan?

With an Income Plan NDB Wealth will credit your selected bank account, with ANY bank, with a predetermined amount of cash each month to meet your monthly expenses.

All you'll need is an initial minimum deposit of Rs.5,000 per fund and subsequent minimum deposits of Rs.1,000 to start investing!
