### 2017 NDB PRIVATE WEALTH JUNIOR MASTERS

# TANIYA WINS CHALLENGE TROPHY

Prabodha Samarasekera, CEO of NDB Wealth (Far Left), and Vajira Kulatilaka, Head of NDB's Investment Banking Group (Far Right), with winners Levon Niyarepola (12-14), Nirekh Tejwani (10-11), Taniya Balasuriya (15-17) and Kwahn Tejwani (9 and below)

Taniya Balasuriya beat the pack to emerge as the overall winner at the NDB Private Wealth Junior Masters Golf Championship held at the Royal Colombo Golf Club (RCGC) course recently. Balasuriya participated in the Gold Division for those players in the age category of 15 to 17 years and beat a host of talented field of players.

Importantly, this year's Championships also saw a steady uptick in participants, with interest expressed by several overseas participants. This is a clear indicator that the tournament's longstanding mission to promote junior golf has made considerable headway.

Further, the NDB Private Wealth Junior Masters Golf Championship has grown increasingly popular due to rewards on offer. The four winners, as well as those earning first and second runner-up slots in each category, were rewarded which is expected to serve as an investment into their sporting future. All competitors in 2017 received NDB Wealth accounts as gifts for participating, stated a press release.

"I am very impressed with the incredible turn-out and tournament play we witnessed at the 2017 NDB Private Wealth Junior Masters Golf Championships, which is now in its third consecutive year. The growth of Junior Golf in Sri Lanka is undoubtedly very important to us at NDB Wealth," commented Prabodha Samarasekera, CEO of NDB Wealth.
